

THE SOCIETY FOR CALLIGRAHY AND HANDWRITING PRESENTS:

“PEELING BACK THE LAYERS”

WITH SUZIE BERINGER

Suzie Beringer is a calligrapher who makes her home in the Pacific Northwest. She has a degree in commercial art and a lifetime passion for calligraphy. She is a designer and talented artist who enjoys teaching. Constantly exploring new possibilities and pushing herself creatively, Suzie loves to share her passion in mark-making and design with others. As an artist Suzie loves the challenge and discovery that lettering on different surfaces brings. It has been said that when Suzie is around, anything that doesn't move quickly enough may get letters on it!

In this workshop we will unravel the mysteries of creating depth in your art with the use of film. You will be shown how to “jazz” up your layouts and create art that your viewers will want to “dive” into. Learning about seeing things differently is part of this workshop – taking art/lettering that you have already done and creating something that is different and exciting.
