

Angela (Pincha) Sharpe and Jeanne Pincha-Tulley invite you to join them in a Celebration of Pam Pincha-Wagener's Life on 30-Jul-17 starting at noon at the Salish Lodge in Snoqualmie Falls, Washington. There will be buffet and bar, camaraderie and a sharing of how Pam influenced all of us, be you family or friend. She left us all so fast and sudden, we would like to capture her essence through the stories we can share on the day in the place that she loved to take us, her sisters, every time we visited.

Please RSVP with your name, and email to Angela at [Angela.Sharpe@dxc.com](mailto:Angela.Sharpe@dxc.com) or [Angela.k.Sharpe@gmail.com](mailto:Angela.k.Sharpe@gmail.com) NLT 08 July 2017. Donations would be awesome as, reference again, she left suddenly and unexpectedly, and well probate is chaotic at best. Once the agenda is firmed up I'll email it to all on the RSVP list. We will be spreading ashes, having the buffet at the falls, then, not sure, and not sure of the order of anything yet except the time at the Salish Lodge (Noon-1530) and we're not sure if the cemetery will be available yet to do any interment of the urn... so... please stand by. Semper Gumby!

Semper fi,  
Angela
