

IG POST

1. **Options** - on *your own post* you can Delete, Archive, Edit
2. **“Like”**
3. **Comment**
4. **Share**- you can share to your InstaStory or send in a direct message (dm). You can do this on your own post or someone else’s.
5. **Save Post** - Use this to save someone else’s post. Tap to save, tap again to undo. To view all saved posts/collections, go to settings on profile page (more info on “Instagram Profile” handout)

**To categorize your saved posts, you can create “collections”*

-press and hold 

-tap (+) in upper right corner

-type in a name for your collection, tap “save”
